

# INTERCLUSTER DAYS IN BARCELONA. 23-24 Oct. 2014

## EXCLUSIVE PROGRAM FOR DANISH CLUSTERS & NETWORKS

Visit some of the most innovative clusters in Catalonia, one of the first regions in the world to start working with clusters, 20 years ago. One and a half day to network and discover innovative ways to improve cluster's competitiveness and development through intercluster collaboration. To identify new cooperation opportunities, to enhance knowledge and competence sharing among participants. Discover a new, cross sectorial cluster model that creates groundbreaking developments. Visit the Mobile World Capital, live a Smart City first hand or step in the KID'S cluster.

### Day 1:

- **Meet** the 20 most innovative clusters in Catalonia
- **Discover** why Barcelona has been awarded the European Innovation Capital & the Mobile World Capital
- **Learning together** – Best practices cases
- **Matchmaking meetings** and project scouting
- **Working groups** – Internationalisation, branding & marketing, technological cooperation, emerging industries, Financing, Horizon 2020 and other relevant EU projects
- **Networking dinner**

### Day 2:

- **Visit the KID'S Cluster**
- **Visit the DIGITAL CLUSTER CATALONIA – Mobile World Capital & Barcelona Smart City**

## CONDITIONS OF PARTICIPATION

**Participation fee:** 5.400 DKK per cluster (1 participant). Fee for extra participants is 3.900 DKK.

Includes participation in the whole program, lunch, coffee breaks, transport to visits, networking dinner and 2 nights' accommodation at the delegation's hotel in Barcelona.

**Deadline:** 1st September

**Early Bird discount until 20th June:** 4.400 DKK per cluster. Extra participant 3.400 DKK
